

REMARKS

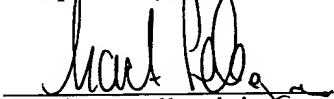

The amendments herein are supported in the specification and drawings, and thus do not constitute the submission of new matter. Accordingly, such amendments should be considered herein by the Examiner. As explained herein, the claims (including those amended herein) are allowable over the art of record and of which Applicant is aware, as that art does not disclose or make obvious Applicant's inventions.

In view of the amendments and remarks set forth above, it is thought that the application is now in condition for allowance, notice whereof is respectfully requested of the Examiner.
